LOCATE THE TERRORIST CALLED "WHITE MASK". DRAGON,
WEED AND THEIR ALLIES WILL SOON BE FACING NEW EN-

Author's notes: Dragon and Weed Origins is an amateur series created
by a fan for fans. You are free to redistribute the chapters, but for free.

The style proposed in this new part (Season 2) between
Chapters 30 and 73 are adapted version of BD-Video.
So you can still see the evolution of the graphic style throughout the story

Finally I thank the broadcast partners (English speakers and French),
as well as the official translator of the series, Gise DAUPLAIS!

Good read, AxelTheAx
